Owner _____ Event _____ Date ____/____/____

Make, Model and Year _____ Class _____

Driver #1 _____ Driver #2 _____ Log Book# _____

Using Synthetic Oil? Motor: Y | N Trans: Y | N Differential: Y | N Coolant type: _____

INSTRUCTIONS: Before the car's first event of the year, an *Annual* inspection must be performed. This *completed* inspection should be done *before* coming to the track. The inspector's portion can be performed by any qualified automotive professional familiar with racecars or by any Tech inspector. This form and car logbook must be completely *filled out and signed* before presenting car for Tech Inspection. The completed Annual Tech Inspection form can be submitted at the first event in lieu of the regular race weekend trackside tech inspection. *Reference the item number when writing any comments or discrepancies.* For questions consult your copy of the Rules or contact any member of the Tech team. *Drivers are responsible for wearing/using required safety equipment.*

Description		Driver	Description		Driver	Tech
