HVR Licensing Process

To qualify for a HVR endorsed license, members must:

- Be at least 16 years of age
- Complete an HVR-approved racing school
 - Any vintage racing school hosted by a VMC club
 - NASA Competition School
 - Hallett Racing School
 - Skip Barber
 - Bondurant
- Following completion of HVR-approved racing school, the applicant will be declared a Novice Vintage Racer
- As a Novice, applicants:
 - Will be issued a copy of The Ace Factor, the definitive gospel of Vintage Racing
 - Will be assigned an HVR instructor and brief/debrief each race for learning opportunities
 - Will affix an "X" of at least 10" after their car numbers for the duration of their Novice period
 - Complete 7 incident free races in the Novice Category with HVR in a one-year period (unless waived by HVR Licensing Officer). Racing in events with other VMC sanctioned clubs as a Novice are encouraged, but only HVR sanctioned races will count towards the 7 required for an HVR endorsement of the VMC license

After completion of the above steps and the car is approved as a properly prepared period vintage car per HVR Rules, applicant will electronically submit the following to the HVR Licensing Officer at kbarnettfarms@yahoo.com

- Completed HVR License Form
- Completed HVR Medical Form
- An electronic photograph of yourself and your car

Upon receipt of the documents above, the HVR Licensing Officer will review the applicant's qualifications and endorse the application for HVR, or recommend additional steps to complete the licensing process. The competition license will then be issued by the HVR secretary and sent directly to the driver electronically. The expiration date will be based on the date of the doctor's signature on the medical form, and the driver's age.
